Here at **FINECITYNEIGHBOURS.COM** we believe in the power of neighbourliness to solve problems. Problems like: **‘if my weekly coffee morning is happening on Zoom, but I don’t know how to use a computer, how do I take part?’**

It can feel awkward to reach out to our neighbours, to ask for or to offer support, even when we really want to. We’ve created this poster to try and help. All you need to do is grab a sharpie and fill out the front with what you want to offer, then pop it up in your window and wait for someone to drop a note through your door.

Do you have skills or resources that you’d love to share, over the phone or over the fence? Are you smartphone savvy? Can you talk someone through how to listen to a podcast? Or maybe you’re really good at gardening or make a mean carrot cake. If you’ve got something to share, write it on your poster and stick it in the window.

And you can be proud of being a good neighbour. So shout about it - we’d love to see your posters so please share your stories using the hashtag **#FINECITYNEIGHBOURS** or find us on social media.

We’re updating our website all the time with useful stuff, including digital how-tos and tips and tricks for staying safe online, so check us out at **FINECITYNEIGHBOURS.COM**
